Young Woman's Part in Life. There is something in a pleasant-faced

iamsel which takes a young man's eres -whether he will or no. It may be the sympathy of that which is beautiful in men's natures for that which is levely in women's. The women have great power over the sex called sterner. Purticularly so, if they be young, pretty and marriageable. Young women ! do you know that it is you who are to mould some man's life? Have you ever thought of the responsibility that attaches to you who are married! A word you may say to a young man whom you may never marry nor see a second time, will that you don't dream of | A smile does wrong influence will do more damage in society, and do it with a winning air of ovenni della Bande Nere, and his son, werse.
